

WHAT YOU CAN DO:

STEP 1 Take off your masks! Show your beautiful smile to others. By taking a stand, you are empowering others to do the same.

STEP 2 Get informed about the facts on COVID and the experimental COVID mRNA injection! Sadly, you won't find this information from our mainstream media. Please start by reviewing the many links and videos provided here.

STEP 3 Share this information with your friends and family! Our freedoms are being stripped away from us like never before in the history of this great nation. We the people must stand for what is right and share these big media censored truths!

HERE ARE THE FACTS:

The COVID-19 virus has never been isolated and does not pass Koch's postulates, which is a requirement for it be termed a microorganism or pathogen. The CDC has failed to provide test and culture samples for which to compare this virus to. COVID-19 is a type of cold/flu virus. Samples that have been labeled as COVID-19, actually isolated Influenza A or Influenza B. CDC pg.43 states, "Since no quantified virus isolates of the 2019-nCoV were available for CDC use" <https://bit.ly/2NqjPDy>

The WHO significantly lowered the standards so that COVID-19 would qualify as a pandemic.

The WHO also lowered PCR test cycles on inauguration day, coinciding with vaccine release. The elevated test cycles contributed to false positive test results.

THE FACTS CON'T...

The PCR Test is corrupt and unreliable. It was never designed as a diagnostic test, and it gives up to 85% false positive results. It cross reacts with other viruses, including the one that causes the common cold. False positives also occur in healthy individuals. Cases, admissions, and deaths have largely been based on this unreliable test. This has morphed into a CASE-DEMIC.

Hospitals receive monetary benefits based on the number of COVID-19 deaths they report. Doctors and hospitals are being forced to attribute virtually every death to COVID-19. The CDC has instructed physicians to exaggerate COVID-19 deaths on death certificates. Dr. Bukacek states that COVID-19 death certificates have been manipulated. Video: <https://bit.ly/3lnCn3J>

The COVID-19 death statistics have been manipulated US and Worldwide.
2019: Deaths: 2,855,000
2020: Deaths: 2,913,144 - Only 57,641 more than in 2019.

The number of reported cases of the seasonal flu were nearly non-existent this past year, being replaced instead with COVID-19 cases.

The CDC illegally inflated the COVID-19 fatality number by at least 1,600% throughout the election, and "violated multiple Federal laws" according to a study published by the Public Health Initiative of the Institute for Pure and Applied Knowledge.

Mask wearing has NOT been shown to help stop the spread of respiratory diseases, and in fact can lead to a higher risk of developing a respiratory infection. Masks have been shown to increase the level of CO2 and reduce the level of oxygen to the mask-wearer, contributing to illness and disease. They are also commonly contaminated with other bacteria, which are directly breathed in and cause illness.

Fauci has publicly stated that the wearing of masks during the 1918 Influenza pandemic contributed to millions of deaths caused by bacterial pneumonia. He has also stated that masks are not effective for stopping the spread of illness.

THE TRUTH ABOUT COVID-19

THE GLOBAL RESET

AGENDA HAS BEEN EXPOSED:

EVENT 201: SIMULATION of A GLOBAL PANDEMIC. This was a high-level pandemic exercise that took place October 18, 2019, in New York, NY. Video: <https://bit.ly/3qrcqRU>

ARE YOU CONSIDERING THE EXPERIMENTAL mRNA INJECTION?

- Did you know that there has never been a successful vaccination against the coronavirus? Scientists have been trying to develop a SARS and MERS vaccine for years, and have repeatedly failed due to the severe reactions and hypersensitivities.
- Did you know that it typically takes 5-10 years to fully develop a vaccine and that current injections for COVID have not gone through proper trials? There is no informed consent. Persons receiving the experimental mRNA shot are entering into a clinical trial which goes against the Nuremberg Code!
- Did you know that Pfizer's and Moderna's mRNA injection is based on new technology, which has never been approved for use on humans before and that long-term effects are still unknown?
- According to Moderna, mRNA injections are an "operating system" (their words) containing DNA instructions that runs "software" inside human cells to produce "applications" that make proteins.
<https://bit.ly/38KLTcb>
- In previous studies the mRNA injection repeatedly failed due to a "Peridoxal Immune Reaction" which creates antibodies that attack your organs. In animal trials all of the cats and ferrets died.
- Pharmaceutical companies cannot be sued if the mRNA injection injures or kills someone while employers, corporations, and small businesses can be held liable for injuries incurred by the mRNA shot if they mandate or force their employees or customers to receive them.
- Did you know that the FDA has no plans to develop a database for post COVID-19 vaccination deaths?
- Why would anyone subject themselves to this experiment? Why get the mRNA shot when the survival rate is so high?
0-69 = 99.82% - 70+ = 94.6%

CON'T... EXPERIMENTAL mRNA

- The number of deaths post-experimental mRNA injection can be and are submitted to the Vaccine Adverse Event Reporting System (VAERS), however it is estimated that less than 1% of adverse events and deaths are being reported to [Vaers.com](https://vaers.hhs.gov/)
- "The key to defeating COVID-19 already exists. We need to start using it." - Dr. Harvey Risch, Epidemiologist - Yale University

WAKE UP AMERICA YOU'VE BEEN DUPED!

There are global agendas behind the declaration of the COVID-19 'plandemic', to benefit certain foreign individuals and companies financially and to gain control over populations.

COVID-19 was long pre-planned in documents and simulation exercises emanating from the eugenist, Bill Gates, the Rockefeller Foundation, and George Soros for the purpose of implementing a global monetary reset now called, "The Great Reset" This reset imbodies, digital currency, technocracy, and totalitarian government under the guise of socialism and environmentalism-UN Agenda 2030.

This event is a psychological operation that has been coordinated with actual physical sickness to spread (by the media) fear, panic and intimidation!

COVID-19 was used to influence the 2020 US election cycle, and it is being used to remove civil liberties, destroy economies, close down small and medium businesses, separate, isolate, and terrorize family members, impoverish people, destroy jobs, and create psychological and emotional unrest.
